

The jewel in the crown of the Carthago Liner class:

More comfort, more self-sufficiency, more independence

Exclusive exterior design:

- Carthago full-LED headlights
- Modern GRP bus rear panel
- Carthago rear lights with dynamic LED indicators

Living area concept:

- Two-level room concept with standing height in living area of 2.11 m
- Spacious and extra comfortable round seating area for up to 6 people

Double floor with huge, heated storage compartment:

- Usable height up to 70 cm
- Access from the exterior via several large hatches. Access from the interior via seat bench cover of round seating area, swing-up side seat bench and living area floor hatch
- Large, central through-loading space (interior height 22 cm) with extra-low double floor storage compartment (usable height 46 cm), can also be conveniently loaded XL habitation door via large, self-supporting living area floor hatch
- Entire double floor heated with climate storage function

Maximum self-sufficiency:

- 235 l fresh water / 185 l waste water
- 2 x 80 Ah batteries (can be extended to 3 x 80 Ah or 2 x 90 Ah Lithium-Ion batteries)
- Alde warm water heater technology

AL-KO low frame Carthago special chassis:

- Fiat Ducato AL-KO single axle up to 4.8 t / double axle up to permissible gross weight of 5.5 t
- Mercedes-Benz AL-KO single axle up to 4.5 t / double axle up to permissible gross weight of 5.5 t

Base vehicle

- Carthago full LED headlights (dipped and main beam) including LED daytime driving light
- Fog light
- Driver/passenger airbag¹¹⁾
- Mud flaps on front and rear axles
- Fix & Go repair kit
- 16-inch alloy wheels

Fiat Ducato with AL-KO low frame Carthago special chassis

- Engine: 2.2 l diesel Multijet 3 with Adblue (19 l), 140 HP / 104 kW, 4 cylinders, 350 Nm, Euro 6d Final, 6-speed gearbox, front-wheel drive
- 90 l fuel tank
- Reinforced spring on the front axle with increased axle load up to 2.3 t
- Start & Stop system
- Side wind assistant (single axle models), cruise control, ABS, ESP, ASR, electric immobiliser, Hillholder, Hill Descent Control, Traction Plus, trailer stability control, collision braking system⁶⁵⁾
- Manual air conditioning system
- Glove compartment
- Wheel trim with Carthago lettering

Mercedes-Benz Sprinter with AL-KO low frame Carthago special chassis

- Engine: 2.0 l diesel with Adblue (22 l), 150 HP / 110 kW, 4 cylinders, 330 Nm, Euro VI, 6-speed gearbox, front-wheel drive
- Fuel tank 65 l
- Reinforced spring on the front axle with increased axle load up to 2.1 t
- Keyless Start incl. Start/Stop button
- Side wind assistant (single axle model), Hillholder, ABS, ASR, EBV, ESP
- Driver and passenger cup holders, glove compartment at passenger side
- Hinged lid for storage compartment on top of the dash
- Automatic driving light control
- Mercedes-Benz emergency call system, breakdown management
- Chassis battery 12 V / 92 Ah
- Wide-gauge front axle
- Wiring (cable set) for habitation door central locking system
- Electric warm air auxiliary heating in driver's cab
- original Mercedes-Benz wheel trims

Liner premium-class body construction

- 10-year water ingress guarantee
- Wood-free bodywork with GRP roof and floor covering
- Roof/wall connection via curved roof and frame member
- Roof system rails at side with rainwater deflection function
- Side and rear walls with aluminium on the interior and exterior
- RTM hard foam insulating core in roof, floor and side wall
- Floor to side wall connection using aluminium frame members bonded over the entire surface with additional cold stop
- Total wall and roof thickness, 38 mm
- Habitation with lightning protection / Faraday cage
- Exterior hatches made from the original "Carthago Isoplus" side wall material
- Internal/external flap seal, outer seal as water spray protection
- Exterior hatches and habitation door with internal hinges
- Fuel tank flap flush-mounted into side wall
- Segmented side skirts made from aluminium profile
- GRP bus rear panel with double-shell insulation, two-piece
- Carthago rear lights with dynamic LED indicators
- Seitz de Luxe habitation windows, thermal bridge-free double frame with insulated glazing and flush outer window surface, fly screen roller blind and pleated blackout blind
- LED exterior light above habitation door with rain deflector
- Electrically extending habitation door entrance step with warning buzzer

Driver's cab

- Dashboard sloping steeply towards the front (view of road surface in Fiat after 2.77 m, in Mercedes-Benz after 3.77 m)
- Extra-high panoramic windscreen with increased depth
- "Exclusive" designer front mask above windscreen with black panel
- "Liner" engine hood design – visual windscreen extension
- Pleated blackout blinds behind rear side windows (operated from the side)
- Front mask in GRP, with double-shell insulation
- Driver's cab seats further apart: better vision and more access width in driver's cab
- Passengers cab door with security double locking, electric windows, rain gutter
- Soundproofing measures for engine compartment
- Aguti "Roadliner" driver and passenger comfort seats including logo in same material as living area, rotatable, with integrated seat belts and upholstered armrests
- Dashboard with leather-covered surface, practical sideboard and wiring for integrated reversing camera monitor and drinks bottle holder
- Overhead storage cabinets all around instead of drop-down bed (Mercedes-Benz single axle)
- Leather-covered bottom panelling for drop-down bed, LED spotlights and storage compartments
- Standing height beneath drop-down bed of up to 190 cm
- Sideboard at drivers side with two heating convectors and storage compartment above

Driver's cab thermal concept

- Insulating double glazing in driver's cab: Side and door windows
- Convector package with 2-speed fan (booster), switchable beneath passengers seat (Fiat), in sideboard (Mercedes-Benz), for targeted heating of the footwell
- Electric honeycomb insulating pleated windscreen blind with individually programmable privacy and anti-dazzle function
- Dashboard surface targeted heating for additional heating of the driver's cab (surface heating effect): Integrated heating convectors with circulation baffle plate (double convectors at driver and passenger sides)
- Passengers cab door entrance: targeted heating with additional convector

Double floor

- Usable height up to 70 cm
- Through-loading storage compartment with lighting and heating
- Access from the exterior via several large hatches
- Access from the interior via the round seating area with patented fitting, swing-up side seat bench and via the large living area floor hatch
- Central through-loading space (interior height 22 cm) with low double floor storage compartment (usable height 46 cm)

Large scooter garage

- Scooter garage load capacity up to 450 kg
- Large garage hatches at the driver and passenger sides, with gas pressure dampers
- Floor panel with GRP on top and bottom, anti-slip coating
- With all-round frostproof insulation and heating
- Lashing system via aluminium frame member, including eight lashing eyes
- Outdoor shower in scooter garage at drivers side (warm / cold)

Interior

- linea chiara world of style: Noce Fino furniture decor with overhead cabinet doors in high gloss ivory

Living area

- Inside of walls and roof with microfibre climate-regulating wall covering
- Large front round seating area with wide side seat bench
- Model XL: XL round seating area with long side sofa including pull-out sleeping and seating surface at passenger side

- Heki III panoramic skylight above round seating area with LED spotlights
- Living area window above side bench on drivers side
- Luxury living area table, movable in two directions (via foot pedal)
- Pull-out shoe cabinet with storage system integrated into base of seat bench, locking mechanism via electric central locking in kitchen
- Seat upholstery with multilayer premium foam core and back support function
- "Durafix" double connecting technology: Furniture section screwed together and mortised
- Soft-closing hatch closers
- Removable decorative curtain, Roman blind system can be adjusted and fixed vertically

Kitchen

- Corner kitchen with pull-out kitchen work surface as worktop extension, easily accessible storage space reserves, bottle holder and two waste bins
- Kitchen work surface in "Savannah" décor with Corian drip edge
- Work surface lit from underneath with LED light strip
- "Easy glide" roller-mounted kitchen drawers, with self-closing with anti-slam mechanism
- Electric central locking in the kitchen area including bar cabinet and shoe cabinet
- Separate drawer for cutlery with organiser
- "Profi Gourmet" 3-ring hob with divided glass cover for additional surface space with robust cast iron trivet and easy-clean glass base
- Stainless steel round sink recessed into the work surface, with multi-functional sink cover including wall holder with additional work surface
- Designer mixer tap in metal with pull-out spray head
- Kitchen rear wall in cream decorative glass
- Coffee machine lift can be lowered from overhead storage cabinet
- Large fridge with door that opens at both sides, separate freezer compartment, automatic energy source finder 12 V / 230 V / gas operation
- Slide out storage cabinet, can be pulled out
- Electric roof hood fan

Washroom & changing room

Changing room & room partitioning

- Changing room incl. Mini-Heki skylight with lockable room partitioning door and solid wooden sliding door (XL models) to living area
- Solid wooden sliding door in front of sleeping area (models 50 LE, 51 LE)
- Pull-out TV wall and room divider in front of sleeping area (models 51 QB)
- Solid wood sliding door in front of sleeping area with full length mirror (XL models)
- Floor-to-ceiling wardrobe with two clothes rails and shelf integrated in the changing room (models 50 LE, 51 LE, XL models)

Luxury washroom with separate shower cabin (model 51 LE):

- Spacious washroom interior, level washroom floor
- Shower / washroom floor with real wood teak inlays, removable for showering
- Height-adjustable shower head on chrome rail
- Mini-Heki skylight
- Wash stand base unit with toilet roll holder, mirror storage cabinet

Luxury washroom with separate shower room

- Waterproof shower insert with same design as living area floor
- Rain shower with roof light, standing height 1.98 m
- Shower tray and shower corner pillar in dark granite look, shower walls with marble design incl. clothes hooks
- Height-adjustable shower head on chrome rail (not model 51 QB)
- Wash stand base unit with toilet roll holder, mirror storage cabinet
- Luxury washroom door with 3-way function (washroom double door for toilet room and room partitioning from living area)

XL washroom with XL room concept

- Open washing area and designer washbasin
- Mini-Heki skylight
- XL round shower with waterproof shower insert with same design as living area floor and “one level” shower access
- Rain shower with roof light, including blackout blind
- Height-adjustable shower head on chrome rail
- Shower tray and shower corner pillar in dark granite look, shower walls with marble design incl. clothes hooks
- Additional warm water underfloor heating: Additional heating coils in double floor area of washroom
- Micro-Heki skylight in toilet room
- Separate toilet room with side window, towel warmer as well as footwell extension

Sleeping

Drop-down bed above the driver's cab area (Not Mercedes-Benz single axle)

- Slatted frame and quality mattress
- Extra-low bed positioning: Access via side seat
- Wobble-free support in sleeping configuration, bookshelf and LED spotlights
- Dividing curtain between drop-down bed and living area
- Mini-Heki skylight

Fixed beds in rear area

- Carawinx medically recommended point elastic sleeping system, heated and ventilated
- 7-Zone quality cold foam mattress
- Mini-Heki skylight
- Self-supporting head section

Lengthways single beds

- Pull-out comfort access steps with additional storage compartment, including sleeping area extension (not model 51 LE)
- Integrated TV cabinet in sleeping area with shelf base
- Wardrobes beneath the beds with lift function and divided mattress, lowered into double floor (not model 51 LE)
- Extra-low access to rear bed, access steps not extendible (model 51 LE)
- All-round overhead storage cabinets

On-board equipment

Water

- Fresh water and waste water tanks in heated double floor, cleaning opening via living area floor hatch or scooter garage (depending on model)
- Ball type drain valve positioned in the double floor protected from frost (central water drain)
- Low-maintenance water pressure pump system
- Waste water hose set with bayonet connection

Gas

- External gas bottle compartment in low position
- Holds 2 x 11 kg gas bottles
- Gas taps in kitchen area

Electrical system

- Easily accessible electrical centre in scooter garage, including charger / fuses / fuse protection, 22 A automatic charger, electric control, automatic switch-off when voltage too low, including chassis battery charging function
- Heated battery centre with 2 x 80 Ah gel batteries in double floor, accessible from scooter garage (Fiat single axle models via double floor storage compartment at drivers side) main power switch
- Multifunctional panel behind technical panel above habitation door
- 230 V socket in seating area, kitchen, washroom, scooter garage
- 12 V socket in driver's cab (Fiat: 2 x, Mercedes-Benz: 1 x), scooter garage
- USB socket in driver's cab (Fiat: 2 x, Mercedes-Benz: 1 x)

Innovative light concept

- Lighting system with numerous LED spotlights in driver's cab, living area and changing room with continuously variable dimming function
- Ceiling canopy with additional LED spotlights and indirect LED lighting
- LED spot light with background lighting in the entrance area
- LED accent light in kitchen area / plinth of seat bench
- LED accent light with backlighting in round washroom wall
- Night lighting in the floor with LED spotlights, can be switched from entrance and sleeping area
- Living area step to changing room with flush-fitted surface lighting

TV

- “Quick up” TV pull-out system in side seat bench backrest for 32" LED flat screen, connection pre-wiring for 32"/40" LED flat screen

Alde warm water heater technology

- Alde warm water heating, operated using 230 V electricity or gas, including 230 V heating cartridge, warm water boiler, venting valves, numerous convectors in driver's cab, dashboard, living area, double floor and scooter garage
- Underfloor heating effect due to heated climate storage double floor
- Additional warm water underfloor heating: Additional heating coils in double floor area of XL washroom
- Dashboard with targeted heating for additional heating of the driver's cab: Insulated sandwich area beneath dashboard with warm water heating coils for surface heating
Booster: Convector package with 2-speed fan beneath passengers seat, additional convector in the entry doorway
