

### The jewel in the crown of the Carthago Liner class: with high-traction rear-wheel drive

#### Exclusive exterior design:

- Carthago full LED headlights
- Modern GRP bus rear panel
- Carthago rear lights with dynamic LED indicators

#### Iveco Daily:

- High traction rear wheel drive
- Towed load up to 3,500 kg
- Extremely powerful engine with 3.0 l capacity with up to 207 / 152 kW and torque of 470 Nm (optional)

#### Living area concept:

- Two-level room concept with standing height in the living area: 2.11 m
- Spacious and extra comfortable round seating area for up to 6 people

#### Double floor with huge, heated storage compartment:

- Usable height up to 74 cm (6.7 t: 78 cm)
- Access from the exterior via several large hatches. Access from the interior via seat bench cover of round seating area, swing-up side seat bench and living area floor hatch
- Large, central through-loading space (interior height 20 cm) with extra-low double floor storage compartment (usable height 20 cm), convenient loading also through XL habitation door via large, self-supporting living area floor hatch
- Entire double floor heated with climate storage function

#### Maximum self-sufficiency:

- 235 l fresh water / 200 l waste water
- 2 x 80 Ah gel battery (can be extended)
- Alde warm water heater technology

#### Base vehicle

- Carthago full LED headlights (dipped and main beam) including LED daytime driving light
- Fog light
- 16-inch alloy wheels

#### Iveco Daily

- Engine: HPI Diesel 3.0 l with AdBlue (20 l), 156 HP / 115 kW, Euro VI E, 6-speed gearbox, rear-wheel drive
- Models 50 LE, 52 QB: Iveco Daily 5.6 t (permissible gross weight 5.6 t / optionally 5.8 t)
- Models 61 XL LE, 64 XL QB: Iveco Daily 6.7 t (permissible gross weight as standard 6.7 t)
- High frame with dual wheels on rear axle
- 90 l fuel tank
- Front axle with independent wheel suspension and torsion bar suspension, double wishbone and increased axle load capacity, rigid rear axle with parabolic suspension
- ESP, ABS, electric immobiliser, ASR, Hillholder
- Cruise control
- Assistance display (central TFT cluster)
- Towbar preparation (cut-out in GRP rear with electrical wiring)
- Spare wheel with holder beneath garage floor

#### Liner premium-class body construction

- 10-year water ingress guarantee
- Wood-free bodywork with GRP roof and floor covering
- Roof/wall connection via curved roof and frame member
- Roof system rails at side with rainwater deflection function
- Side and rear walls with aluminium on the interior and exterior
- RTM hard foam insulating core in roof, floor and side wall
- Floor to side wall connection using aluminium frame members bonded over the entire surface with additional cold stop
- Total wall and roof thickness, 38 mm
- Habitation with lightning protection / Faraday cage
- Exterior hatches made from the original "Carthago Isoplus" side wall material
- Internal/external flap seal, outer seal as water spray protection
- Exterior hatches and habitation door with internal hinges
- Fuel tank flap flush-mounted into side wall
- GRP bus rear panel with double-shell insulation, two-piece
- Carthago rear lights with dynamic LED indicators
- Seitz de Luxe habitation windows, thermal bridge-free double frame with insulated glazing and flush outer window surface, fly screen roller blind and pleated blackout blind
- LED exterior light above habitation door with rain deflector
- Electrically extending habitation door entrance step with warning buzzer

#### Driver's cab

- Dashboard sloping steeply towards the front for early view of road surface
- Extra-high panoramic windscreen with increased depth
- "Exclusive" designer front mask above windscreen with black panel
- "Liner" engine hood design – visual windscreen extension
- Pleated blackout blinds behind rear side windows (operated from the side)
- Mirror arm extensions with rain deflection function
- Front mask in GRP, with double-shell insulation
- Driver's cab seats further apart: better vision and more access width in driver's cab
- Passengers cab door with security double locking, electric windows, rain gutter
- Coach windscreen wipers wiping in opposing directions
- Soundproofing measures for engine compartment
- Aguti "Roadliner" comfort seats for driver and passenger including logo in same material as living area, rotatable, with integrated seat belts and upholstered armrests

- Dashboard with leather-covered surface, practical sideboard and preparation for integrated reversing camera monitor and drinks bottle holder
- Leather-covered bottom panelling for drop-down bed, LED spotlights and storage compartments
- Standing height beneath drop-down bed of up to 190 cm
- Sideboard at the drivers side with two heating convectors and storage compartment above

### Driver's cab thermal concept

- Insulating double glazing in driver's cab: Side and door windows
- Convector package with 2-speed fan (booster) switched on/off beneath passengers seat
- Electric honeycomb insulating pleated windscreen blind with individually programmable privacy and anti-dazzle function
- Dashboard surface targeted heating for additional heating of the driver's cab (surface heating effect): Integrated heating convectors with circulation baffle plate (double convectors at driver and passenger sides)

### Double floor

- Usable height up to 74 cm (Iveco Daily 6.7 t: 78 cm)
- Through-loading storage compartment with lighting and heating
- Access from the exterior via several large hatches
- Access from the interior via the round seating area with patented fitting, swing-up side seat bench and via the large living area floor hatch
- Central through-loading space (interior height 20 cm) with low double floor storage compartment (usable height 20 cm)

### Large scooter garage

- Scooter garage load capacity up to 450 kg
- Large garage hatches at the driver and passenger sides, with gas pressure dampers
- Floor panel with GRP on top and bottom, anti-slip coating
- With all-round frostproof insulation and heating
- Lashing system via aluminium frame member, including eight lashing eyes
- Outdoor shower in scooter garage at drivers side (warm / cold)

### Interior

- linea chiara world of style: Noce Fino furniture decor with overhead cabinet doors in high gloss ivory and lotus white

### Living area

- Inside of walls and roof with microfibre climate-regulating wall covering
- Large front round seating area with wide side seat bench
- Model XL: XL round seating area with long side sofa including pull-out sleeping / seat surface at drivers side
- Heki III panoramic skylight above round seating area with LED spotlights
- Living area window above side bench on drivers side
- Luxury living area table, movable in two directions (via foot pedal)
- Pull-out shoe cabinet with storage system integrated into the base of the seat bench, locking mechanism via electric central locking in kitchen
- Seat upholstery with multilayer premium foam core and back support function
- "Durafix" double connecting technology: Furniture section screwed together and mortised
- Soft-closing hatch closers
- Removable decorative curtain, Roman blind system can be adjusted and fixed vertically

### Kitchen

- Corner kitchen with pull-out kitchen work surface as worktop extension, easily accessible storage space reserves, bottle holder and two waste bins
- Kitchen work surface in "Savannah" décor with Corian drip edge
- Work surface lit from underneath with LED light strip
- "Easy glide" roller-mounted kitchen drawers, with self-closing and anti-slam mechanism

- Electric central locking in the kitchen area including bar cabinet and shoe cabinet
- Separate drawer for cutlery with organiser
- "Profi Gourmet" 3-ring hob with divided glass cover for additional storage area with robust cast iron trivet and easy-clean glass base
- Stainless steel round sink recessed into the work surface, with multi-functional sink cover including wall holder with additional work surface
- Designer mixer tap in metal with pull-out spray head
- Kitchen rear wall in cream decorative glass
- Coffee machine lift can be lowered from overhead storage cabinet
- Large fridge with door that opens at both sides, separate freezer compartment, automatic energy source finder 12 V / 230 V / gas operation
- Slide out storage cabinet, can be pulled out
- Electric roof hood fan

### Washroom & changing room

#### Changing room & room partitioning

- Changing room incl. Mini-Heki skylight with lockable room partitioning door and solid wooden sliding door (XL models) to living area
- Solid wood sliding door in front of sleeping area (Model 50 LE)
- Pull-out room partitioning and TV wall in front of sleeping area (Model 52 QB)
- Solid wood sliding door in front of sleeping area including full length mirror (XL models)
- Floor-to-ceiling wardrobe with two clothes rails and shelf integrated in the changing room

#### Luxury washroom with separate shower room

- Waterproof shower insert with same design as living area floor
- Rain shower with roof light, standing height 1.98 m
- Shower tray and shower corner pillar in dark granite look, shower walls with marble design incl. clothes hooks
- Height-adjustable shower head on chrome rail (not model 52 QB)
- Wash stand base unit with toilet roll holder, mirror storage cabinet
- Luxury washroom door with 3-way function (washroom double door for toilet room and room partitioning from living area)

#### XL washroom with XL room concept

- Open washing area and designer washbasin
- Mini-Heki skylight
- XL round shower with waterproof shower insert with same design as living area floor and "one level" shower access
- Rain shower with roof light, including blackout blind
- Height-adjustable shower head on chrome rail
- Shower tray and shower corner pillar in dark granite look, shower walls with marble design incl. clothes hooks
- Additional warm water underfloor heating: Additional heating coils in double floor in area of washroom
- Micro-Heki skylight in toilet room
- Separate toilet room with side window, towel warmer and footwell extension

### Sleeping

#### Drop-down bed above the driver's cab area

- Slatted frame and quality mattress
- Extra-low bed positioning: Access via side seat
- Wobble-free support in sleeping configuration, bookshelf and LED spotlights
- Dividing curtain between drop-down bed and living area
- Mini-Heki skylight

#### Fixed beds in rear area

- Carawinx medically recommended point elastic sleeping system, heated and ventilated
- 7-Zone quality cold foam mattress
- Mini-Heki skylight
- Self-supporting head section

### Lengthways single beds

- Pull-out comfort access steps with additional storage compartment, including sleeping area extension
- Integrated TV cabinet in sleeping area with shelf base
- Wardrobes beneath the beds with lift function and divided mattress, lowered into double floor
- All-round overhead storage cabinets

### On-board equipment

#### Water

- Fresh water and waste water tanks in heated double floor, cleaning opening via living area floor hatch or scooter garage (depending on model)
- Ball type drain valve positioned in the double floor protected from frost (central water drain)
- Low-maintenance water pressure pump system
- Waste water hose set with bayonet connection

#### Gas

- External, gas bottle compartment in low position
- Holds 2 x 11 kg gas bottles
- Gas taps in kitchen area

#### Electrical system

- Easily accessible electrical centre in scooter garage, including charger / fuses / fuse protection, 22 A automatic charger, electric control, automatic switch-off when voltage too low, including chassis battery charging function
- Heated battery centre with 2 x 80 Ah gel batteries in double floor, access via scooter garage, main power switch
- Multifunctional panel behind technical panel above habitation door
- 230 V socket in seating area, kitchen, washroom, scooter garage
- 12 V socket in driver's cab, scooter garage
- USB socket in driver's cab (2 x)

#### Innovative light concept

- Lighting system with numerous LED spotlights in driver's cab, living area and changing room with continuously variable dimming function
- Ceiling canopy with additional LED spotlights and indirect LED lighting
- LED spot light with background lighting in the entrance area
- LED accent light in kitchen area / plinth of seat bench
- LED accent light with backlighting in round washroom wall
- Night lighting in the floor with LED spotlights, can be switched from entrance and sleeping area
- Living area step to changing room with flush-fitted surface lighting

#### TV

- "Quick up" TV pull-out system in side seat bench backrest for 32" LED flat screen, connection pre-wiring for 32"/40" LED flat screen

### Alde warm water heater technology

- Alde warm water heater, operated using 230 V electricity or gas, including 230 V heating cartridge, warm water boiler, venting valves, numerous convectors in driver's cab, dashboard, living area, double floor and scooter garage
- Underfloor heating effect due to heated climate storage double floor
- Additional warm water underfloor heating: Additional heating coils in double floor area of XL washroom
- Dashboard with targeted heating for additional heating of the driver's cab: Insulated sandwich area beneath dashboard with warm water heating coils for surface heating
- Booster: Convector package with 2-speed fan beneath passengers seat, additional convector in the entry doorway
